

# Releasit<sup>®</sup>

## Specialty Products for Commercial Carpet Care

**SOILEZE PROTECTOR:** Soileze protector is built into several of the Releasit detergents, and is also available as a standalone protector. This premium protector is 100% compatible with Releasit's Crystalon3 encapsulation polymer. Effective on water based, oil based, and alcohol based soils.

**ENCAP-SPOT:** Multi-purpose encapsulation spot cleaner. Can be used on a wide variety of spots. Does not require rinsing. Resists re-soiling.

**FOAM-GUARD:** Powdered crystal defoamer that's easy to use. Ideal for fully breaking down foam build-up that can damage hot water extraction equipment.

**GUM SPRAY:** Freezes chewing gum, tar, wax, etc. Makes removing sticky solids quick, simple, and painless.
